(UT057)

August 18, 1992

Mr. Holland Shepherd
Department of Natural Resources
Division of Oil, Gas and Mining
355 West Temple
3 Triad Center
Salt Lake City, Utah 84180-1203

Dear Mr. Shepherd:

Enclosed please find a copy of mining notice UT-057-HMRA-92-7N, which was received in this office on August 14, 1992. Under Bureau of Land Management Regulations, the operator will be free to begin activity 15 days from the date of our receipt of the notice. However, we may not accept this notice until we determine if the stone in question is locatable.

If you have any concerns or comments about this notice, please forward them to this office.

Sincerely,

Leroy L Smalley
Leroy Smalley
Acting Area Manager

NOTICE

OR

PLAN OF OPERATIONS

(For Operations Proposed Under the 43 CFR 3809 Regulations)

Instructions to Claimant/Operator: Circle "Notice" above if operations within the project area propose to disturb a total of five (5) acres or less during the calendar year. Circle "Plan of Operations" if the proposed disturbance will exceed five (5) acres during the calendar year or if your operations are proposed in an area listed in 3809.1-4(b). Complete the form in as much detail as possible. Use maps or sketches where appropriate (maps or sketches are required for submitted plans of operations and are recommended, but not required, for submitted notices). A review of 43 CFR 3809 Regulations should be conducted prior to completion of this form and submission to the appropriate BLM office.

Claim Information: (If activities are proposed on BLM administered lands)

3. Information and data submitted and specifically identified by the operator as containing trade secrets or confidential or privileged commercial or financial information should be attached to a separate page and cited in the text of the notice or plan of operations. This information will be filed separately by the BLM and will not be available for public inspection. Failure of an operator to file a notice under 3809.1-3 or a plan of operations under 3809.1-4 will subject the operator, at the discretion of the authorized officer, to being served a notice of non-compliance or enjoined from the continuation of such operations by a court order until such time as a plan or notice is filed with the authorized officer.

4.

3.

Private constitute recognition of the validity of any mining claims named herein.

BUREAU OF LAND MANAGEMENT
DENVER, COLORADO

Access Routes (Existing and Proposed) access to claims is 4.4 miles East-Southeast of Teasdale, Utah, on the Teasdale to Grover county road. Existing road exits south of county road and is app. one tenth of a mile to previously worked area of claim: (see map)

Existing Disturbance and Structures There is two previously disturbed sites on claims where rock has been mined and removed.

Proposed Operations - minimal road improvement to claim. Using a 2 1/2 year articulated front-end loader. will expose and remove picture stone - (This is a non-metallic valuable mineral) Total area of disturbance will be less than 1/4 acre.

Proposed Completion Date

Sept. 5, 1992

Proposed Reclamation: Describe the proposed reclamation procedures and other measures to be taken to prevent unnecessary or undue degradation of the lands, including measures to be taken if a period of non-operation is anticipated.

Reclamation will include water bars across access road. Possible reshaping and contouring of disturbed area.

I hereby declare that I, or persons I have authorized to do so, will complete all necessary reclamation of areas disturbed during the course of my operations to the standards described in 43 CFR 3809.1-3(d) and that reasonable measures will be taken to prevent unnecessary or undue degradation of the federal lands during operations.

Notice to Claimants/Operators:

1. A notice submitted in relation to the 43 CFR 3809 regulations does not require approval from the BLM. However, notification of such activities shall be made at least 15 days before commencing operations. Approval of a submitted plan of operations is required from the BLM prior to commencing operations. The BLM will promptly acknowledge receipt of a plan and will notify the claimant/operator of the status of the plan within 30 days of receipt.
2. Approval of a plan of operations does not constitute certification of ownership to any person named as claimant/operator herein, nor does ap-
